# BE PART OF A WIN - WIN - WIN SOLUTION

EARTH . COMMUNITY . CHARITY

Imagine it Fundraising through Recycling was established in 2002 and has received a heartwarming response from our community. Currently servicing over 2500 locations in the Upstate NY region, no company is too large or too small for the program. We have the experience to grow with the generosity of our community. Each and every donation will make a difference in our community and our environment!

## Did you know...

Every **SECOND 8** Printer cartridges are thrown away.  
**2½ Ounces** of **OIL** used to produce each inkjet.  
**3½ Quarts** of **OIL** used to produce each laser.  
 In a couple of months, cartridge remanufacturing will **SAVE** more OIL than was spilled by the Exxon Valdez in Prince Edward Sound, Alaska.

*Fundraising though Recycling is the  
BEST FUNDRAISING IDEA EVER!*

*It's EASY to make a real difference by  
keeping reusable items out of landfills  
and supporting our area's non profits.  
EVERYONE BENEFITS!*
